Spies (Kindle Single) Matthew Burnside

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

After his father dies and his mother moves him to Indiana, a ten-year-old boy feels like the world has collapsed around him. But when a long-haired, ant-burning neighbor named Ryan invites him to be friends, the new kid with the dead dad thinks he might have found his place. Ryan welcomes the grateful boy into his exclusive world of brotherhood and “spies.” Yet soon the boy discovers a disturbing secret that Ryan is hiding in the woods, and he is faced with a difficult moral conundrum.

Without his father to guide him, and still angry at his devoted, if distressed, mother, the grieving son is stuck at an impasse. As he struggles to make the mature decision, help—and forgiveness—might just unexpectedly arrive.

Spies is a bittersweet story of heartbreak, healing, and the price we sometimes pay for making hard choices.
