The Adventure of the Colonial Boy Narrelle M. Harris

1893. Dr Watson, still in mourning for the death of his great friend Sherlock Holmes, is now triply bereaved, with his wife Mary's death in childbirth. Then a telegram from Melbourne, Australia intrudes into his grief. "Come at once if convenient." Both suspicious and desperate to believe that Holmes may not, after all, be dead, Watson goes as immediately as the sea voyage will allow. Soon Holmes and Watson are together again, on an adventure through Bohemian Melbourne and rural Victoria, following a series of murders linked by a repulsive red leech and one of Moriarty's lieutenants. But things are not as they were. Too many words lie unsaid between the Great Detective and his biographer. Too much that they feel is a secret. Solve the crime, forgive a friend, rediscover trust and admit to love. Surely that is not beyond that legendary duo, Sherlock Holmes and Dr John Watson?
